II. Action Items

A. Approve Facilities Agreement Between Da Vinci Schools: L.A. County Rise High & Richstone Family Center (July 1, 2021 - June 30, 2022)

C. Taylor made a motion to Approve Facilities Agreement Between Da Vinci Schools: L.A. County Rise High & Richstone Family Center (July 1, 2021 - June 30, 2022).

C. McCullough seconded the motion.

Dr. Wunder shared that Richstone requested additional money for a security deposit which exceeded the total amount previously approved at \$141,000. With

the additional \$20,000 security deposit, Board approval is required for a total cost of \$161,000.

Mr. Amato clarified that a pre-paid deposit holds as long as we are tenants. At the end of the term, Richstone will assess if there are damages. The money acts as a traditional rent security deposit. It can be used to cover damages or will be returned in full.

Mrs. Montes-Rodriguez asked if the amount is due to having a school on-site and that property damages would be guaranteed out of the security deposit. Mr. Amato agreed and shared that our lease covers us for damages, repairs, or things we did not pay for during the extent of our lease.

Dr. Wunder shared that the request for the lease is reasonable. The board **VOTED** unanimously to approve the motion.

B. Approve Revised 2 Year Budget for Material Revision Submission to the LACOE

C. Taylor made a motion to Approve Revised 2 Year Budget for Material Revision Submission to the LACOE.

C. McCullough seconded the motion.

Dr. Wunder shared that we used more XQ dollars than anticipated this year due to loss of enrollment, lower ADA, and loss of growth due to the pandemic. The previous budget Board approved and submitted to LACOE, at their request, is a breakeven budget. Mr. Amato then created a 1 school-site scenario. At a recent meeting, LACOE gave the direction to create a budget that reflects the 3 school-site model as stated in the original petition.

Mr. Amato noted that the current budget presented reflects a formula error in the benefits expense section discovered a few minutes prior to sending the budget. The correction increases expenses by approximately \$78,000, and the budget is breakeven to a deficit of \$70,000. The bottom line is still being approved, and the solution is to reduce the CMO fee by that same amount. Dr. Wunder commented that the cuts would come from the 10% of central office time and fees Da Vinci Schools pay.

Dr. Johnstone inquired about the STRS contribution. Mr. Amato shared that the rate the state published for the 22-23 school year is 19.1%, and the current year (21-22) rate is 16.92%.

Mr. Whalen shared that the revised budget maintains the integrity of the model as written. Staff analyzed how it would be possible to provide the same quality for students by looking at things from a different lens. In-house positions were cut down where those services and benefits could be utilized within the partnership.

The board **VOTED** unanimously to approve the motion.
